Honorable Judge Robert Drain
 I AM AN IUE - CWA LOCAL 717 Ralphie Holard
 Electric retiree. I beg for your assistance
 in case #05-44481.

I started when I was 19 years old.
 I worked for this Company for over 30
 years. I had 2 strokes since I
 Retired. I don't want to have another
 stroke worrying about my future
 and my pension in the future.
 It's not my fault all the work went
 overseas! THANKS FOR YOUR HELP
